

Call for Educational Session Speakers and Topics

Utility Safety Partners (USP) invites you to submit a proposal to present an educational session at the 2027 Safety Conference, taking place March 15–17, 2027, at the Fairmont Palliser in Calgary, Alberta.

The 2027 Utility Safety Conference offers an opportunity for damage prevention and safety professionals to learn about the newest information, innovation, technology, and experiences contributing to safe work practices. We estimate over 200 stakeholders will attend, including contractors, machine operators, facility operators, training providers, line locators, regulators, safety representatives, equipment suppliers, and more.

This year's theme is **Powering Together Through Change**

Present an Educational Subject

Share how you and/or your company contribute to working safely around utilities and energy lines. Present your innovation, research, technology, case study, or experience during an educational session. Sessions are 45 minutes long and should relate to safety or damage prevention in your industry. Sessions directly related to the event theme are preferred; however, all topics are welcome.

- Best practices
- Communication
- Community collaboration
- Digital data
- Education and learning
- Innovation
- Leadership
- Mapping / GIS
- Planning
- Public awareness
- Regulation
- Safety culture
- Technology
- Training
- Work methods

Sessions are not to be used to sell products or services.

Fill out the form below with details about your presentation proposal.

Suggest a Topic

Is there something happening in damage prevention that you would like to learn more about? Suggest a topic or learning outcome for an educational session. USP will prioritize session submissions that support the subjects you want to hear about.

Submit your session proposal or topic suggestion to info@utilitysafety.ca by November 30, 2026.
USP will contact speakers by January 8, 2027, to confirm participation in the conference.

Powering Together Through Change

2027 Utility Safety Conference | March 15 - 17, 2027 | Fairmont Palliser, Calgary
